## Opportunity:

This is a turnkey opportunity for an owner-operator or experienced buyer looking to step into an established food service operation within a structured franchise system. The infrastructure is in place, and the layout supports efficient operations within a proven footprint.

This is not a startup. It is an existing business with a functioning setup and immediate operational capability.

## Highlights

- Established franchise location
- Fully built-out and operational
- Located within a high-traffic retail setting
- Efficient 1,311 sq ft footprint
- Opportunity for operational improvement & growth
- This is a fully built-out, operational location with an existing customer base and strong positioning within a high-traffic retail environment.
- Confidential listing. Further details and location specifics will be disclosed upon execution of a non-disclosure agreement.
