Opportunity:

This is not a resale. It is a new Mr. Greek location selected for growth in the established Yonge & Lawrence area, one of Toronto's strong midtown neighbourhood corridors.

The location benefits from Yonge Street frontage, strong residential density, pedestrian and vehicle traffic, patio exposure, and access to a mature customer base with strong local dining and takeout demand.

Highlights

- Approximately 1,529 sq. ft. + patio and basement
- This opportunity is for buyers searching for a restaurant franchise opportunity in Toronto, a food franchise in Midtown Toronto, or a new restaurant location with an established brand.
- Instead of buying an existing independent restaurant, a qualified operator can open a new Mr. Greek location with brand recognition, franchise systems, and head office support.
