Nutritious, Delicious, and School-Approved!

Mr. Greek is a Canadian company, founded in Toronto, Canada in 1988. To this day, the company is family-run, with every Mr. Greek franchise independently owned and operated. Mr. Greek restaurants are located throughout the Greater Toronto Area, offering dine in, take out, delivery and catering services, 7 days a week.

For over 38 years, Mr. Greek has been serving families in the Greater Toronto Area. Nutritious, freshly prepared food using premium ingredients is at the core of our company's values.

Our company uses locally sourced chicken and pork, which is processed in our own commissary, licensed under the highest Provincial standards. There are no added preservatives or chemicals in our food, and every meal is prepared fresh to order!

Mr. Greek's School Lunch menu was designed to give parents and caregivers peace of mind and delight the palates of our youngest diners. Our menu items feature a great variety, with clean proteins, sides and vegetarian options. It's what we call 'Great food for the new generation, on the go!' ®

It would be our pleasure to work with your school's parent council or nutritional coordinator as an approved food vendor for your hot lunch program.

Your local Mr. Greek franchisee will work with you to coordinate your school's order. On the morning of the order, the restaurant will prepare the students' lunches from scratch, individually package them in reusable containers, and label them with your child's name, menu item and class. The lunches are then delivered to the school at the pre-arranged time, and ready to be enjoyed.

We are happy to work with your school to fulfill all your hot lunch needs; whether you require a daily, weekly or monthly program, we are ready and able to take on orders from 50- 500.
