The Opportunity

The business operates in the full-service casual dining market, offering dine-in, takeout, and group dining. It has an established customer base, franchise operating systems, and a recognized presence in the Ontario restaurant industry.

The business has an existing restaurant network and operating infrastructure, providing a foundation for continued operations and potential growth.

This Opportunity is Ideally Suited For

This business is well suited to established restaurant groups, multi-unit franchise operators, hospitality investors, and strategic buyers looking to expand their restaurant portfolio in Ontario.

Buyers with experience managing multiple restaurant locations or developing franchise systems may be particularly well positioned to evaluate this opportunity.

Confidentiality

The identity of the franchise, financial information, franchise agreements, operational details, and **complete acquisition package will be provided only to qualified parties following execution of an NDA. For serious buyers only. Inquire confidentially for further information.**
